Stella-Vitae

THE GUARANTEED TONIC FOR WOMEN

Stella-Vitae has been in successful use in the treatment of those diseases peculiar to women for more than a third of a century.

For nearly ten years it has been sold under a plain, positive guarantee to benefit. Less than one bottle out of every one thousand sold has been refunded for, and every claim for a refund has been satisfied. Thousands of letters like the praising Stella-Vitae and telling of benefit to suffering women have been received.

Mrs. E. M. Russell, of Mill Springs, N. C., gratefully writes us as follows:

"I was in a most wretched condition; had palpitation of the heart and would swell and bloat in a most distressing way. When I began using Stella-Vitae I weighed 108 pounds. Now I weigh 135. I am more thankful than I can ever tell you for the great good this wonderful medicine has done me."

Mrs. Russell was at that critical period, the "change," and her sincere gratitude for the blessed relief will be understood and appreciated by every woman who reads her letter.

Stella-Vitae has proved a boon to suffering womanhood, to young girls approaching their first vital period, to women approaching the anguish of childbirth, to women approaching the "change of life." Stella-Vitae strengthens the female organs and promotes regularity in the monthly function.

No risk of loss is taken by any suffering woman who tries Stella-Vitae on our guarantee of the first bottle.

All dealers sell Stella-Vitae and will return your money if it does not benefit you. Don't put off a trial.
